

I love it!

But, where do I put my classroom sound system?

### Put it in TeachLogic's new low-profile WALL CABINET

- Locate on any wall for convenient operation
- Natural finish integrates with classroom decor
- Narrow profile for minimal protrusion
- Rounded corners for safety
- Easy Installation
- Route cables through back or bottom port
- Perfect site for storing drop-in charger
- Heavy duty 20-gauge steel
- Fits half rack x one space x 6 1/2" deep

Model WM-400 attaches to wall

Maxim II or VoiceLink II easily drop into place

**Result:** Another happy teacher with an organized classroom
